### Scope of the Program

Life Skills Training is an approach towards integrated selfempowerment and capacity building. Skills, insight, awareness, knowledge, values, attitudes and qualities are necessary to empower individuals, families and their communities to cope with and engage successfully in life and its challenges in Indian society.. Innovative Approaches in teaching pedagogy is a one week intensive intellectual and action-based engagement for faculty to improve and make them better teachers. The Programme focuses on Issues & Challenges in Teaching Pedagogy.The Programme focuses on new and innovative teaching approaches and methods. The Programme is expected to offer a tremendous learning opportunity to the participants and help them to gain the latest skills, strategies and tools needed to conduct effective and result-oriented sessions. The FDP aims to enhance each participant's skill managemnt and ability to use innovative teaching approaches
